PRIMARY SCHOOL

Growing through learning

From our Principal

Penelope Harris

Looking Back on a Week of Achievements

We've had another fantastic week of learning at Dillbadin Primary! Our classrooms have been buzzing with curiosity, creativity, and collaboration.

Dillbadin PS continues to be a place where students grow academically and feel supported and cared for every step of the way. It's a joy to see our students thriving in such a positive and nurturing environment.

Statewide Principal Conference

Next week, I will be away from school on Tuesday and Wednesday as I attend the Statewide Principals' Conference in Melbourne.

This conference is a great opportunity to connect with school leaders from across Victoria and learn more about best practices in education—particularly around supporting academic growth and promoting the wellbeing of all students and staff.

Neisha Gange will be Acting Principal during my absence. I'm confident the school will be in great hands and look forward to returning with fresh ideas to support our wonderful school community.

The Importance of Wearing the Correct School Uniform

At Dillbadin Primary, we take pride in our new school uniform—it reflects our school spirit and helps create a strong sense of belonging and identity. The uniform was chosen with care, and when worn correctly, it looks fantastic and represents our school community with pride.

We understand that the colder months can make keeping up with uniform washing and drying more challenging, and we encourage families to do their best to keep students in the correct uniform whenever possible. A friendly reminder that **our school uniform includes navy pants—not black.**

Your support in helping students wear the correct uniform contributes to the positive tone and pride we foster at Dillbadin Primary. Thank you for your ongoing cooperation.

Victoria Police Visit Dillbadin Primary

This week, we were thrilled to welcome members of Victoria Police to Dillbadin Primary School. As part of their community outreach, they spoke with our students about the important role police officers play in keeping our communities safe, connected, and supported.

Students were given the opportunity to ask thoughtful questions and gain a deeper understanding of how police help people in a wide range of situations. From road safety to emergency response, the session helped build trust and awareness of how Victoria Police support our community every day.

Thank you to the Victoria Police Education Division for informing and inspiring our students with real-life insights into their work. The visit was a fantastic learning opportunity, and our students thoroughly enjoyed the experience, as you can see in the photos!

Celebrating Student Learning – Information Reports & Poetry

A big thank you to all the families who attended our open session this week to celebrate the wonderful work our students have been doing on their information reports. Seeing so many parents and carers engaging with their children's writing and taking pride in their progress was fantastic.

Our students have now begun exploring the world of poetry, learning how to write in a variety of poetic forms and experimenting with language, rhythm, and expression. Seeing their creativity shine as they develop their unique voices through poetry has been exciting. We look forward to welcoming families back later in the term to share and celebrate this next chapter of our students' writing journey.

Curriculum Day – Date Change

Please note that our upcoming Curriculum Day has been rescheduled. Originally planned for Tuesday, 24th June, it will now take place on Tuesday, 1st July.

We hope this change gives families sufficient notice to adjust their plans, and we appreciate your understanding and flexibility.

Thanks for a great week—have a lovely weekend and we'll see you back on Monday!

Wellbeing Wrap-Up

Neisha Gange – Assistant Principal

Increasing Parent and Family Involvement in Our School Community

At Dillbadin Primary School, we believe that a strong and vibrant school community is built on the active participation of parents and families. As we continue to work towards fostering an environment where students feel supported, safe, and engaged, we recognise families' important role in creating a positive and welcoming atmosphere.

Why Family Involvement Matters

When families are actively involved in their children's education, it leads to better outcomes for students. It helps to create a sense of belonging and strengthens relationships between parents, teachers, and students. Involvement can take many forms, from attending school events and volunteering to offering support at home. The more connected we are as a community, the more we can create a positive environment for learning, growth, and wellbeing.

Our Vision for an Active School Community

This year, we're excited to take steps towards increasing parent and family involvement at Dillbadin Primary School. We want to create more opportunities for families to engage in school life and help shape the direction of our community. Whether it's through workshops, social events, or volunteer opportunities, we want to ensure there's something for everyone to participate in.

How You Can Get Involved

We understand that each family has different needs, interests, and availability. To help us plan events and initiatives that align with your preferences, we've created a simple, quick and anonymous questionnaire (less than 2 minutes). This will allow us to gather your ideas on what type of events you would like to see at the school, as well as any ideas you have for improving community involvement. We encourage all parents and guardians to take a few moments to fill out the questionnaire. Your feedback is invaluable and will help us create a stronger, more connected school community.

Together, we can create an environment where all students thrive, and families feel empowered to contribute to their child's learning journey. We are excited about the opportunities ahead and can't wait to see you at upcoming events.
