### 2025 Parent Payments

Dear Parents and Carers,

Dillbadin Primary School is very proud of our excellent curriculum and wellbeing programs that we have in place for the needs and interests for all our students.

We are looking forward to another great year of teaching and learning and would like to advise you of Dillbadin Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Thanks to the support within our school, we are able to offer a diverse range of subjects, including Art, PE, STEM, Auslan, and Library, as well as maintain well-resourced classrooms, IT devices, and continually enhancing our grounds and buildings.

In addition, we provide a variety of enriching experiences such as Whole School Rewards, Gecko Sports, Swimming Programs, and a range of camps and excursions.

We are currently focused on upgrading our fiction and non-fiction book collections across all year levels to ensure our students have access to contemporary and engaging literature.

With our building project now complete, we are turning our attention to several improvements around the school, including installing shade sails for the sandpit, building a new shed for sports equipment, adding an undercover structure in the waiting area for families, and other necessary upgrades.

For more details on the Department's Parent Payments Policy, please refer to the attached one-page overview.

Yours sincerely,

Penelope Harris  
Principal

Shari Mathews  
School Council President

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

##### Extra-Curricular Items and Activities

#### SCHOOL PROCESSES
