

DILLBADIN PRIMARY SCHOOL

Supervision arrangements before and after school

Student safety at Dillbadin Primary School is our highest priority, and the safe and appropriate supervision of students is an important element of our duty of care. Part of this duty is ensuring parents and students know our student supervision arrangements before and after school.

Before school

School grounds are supervised at 8:50 a.m. in the waiting area at the front of the school, inside the main school gates. Students are to remain in the waiting area; they cannot use the basketball court, oval, or playground before school.

After school

School grounds are supervised until 3:45 p.m. Students are to remain in the waiting area until the adult collecting them from school arrives.

Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after-school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after-school care.

Before and After School Care Program

Families are encouraged to contact Their Care on 0459 995 535 or www.theircare.com.au for more information about the before and after-school care facilities available to our school community or if you would like any further information about our student supervision arrangements.

Please contact the school office for a copy of our Yard Duty and Supervision Policy. This policy includes Dillbadin Primary School's student supervision arrangements throughout the school day, including before and after school.
